III

The Host University will provide facilities for studying and research at no charge for designated staff. Each visit will be agreed well in advance between the two Institutions and it will take place only after the formal agreement between the Authorities of both proper offices.

The University of Tuscia might contribute to the expenses for the mobility of teaching, technical and administrative staff and the mobility of students, in compliance with the University Guidelines for International Agreements and access to mobility funds in force (D.R. n. 496/15 - 13.05.2015). If the financial resources ascribed to the Cooperation Office to this aim will not be available, the exchange can take place only on a personal payment base.

IV

The two universities will make joint applications to the EU institutions and organisations for research grants and funds available in the mutually defined fields and topics where collaborative links are established.

Every specific project between the two universities will be selected and agreed jointly both by the two Rectors or their delegates.

V

Any article of this Agreement may be amended or revoked after consultation and mutual consent between the two universities.

VI

This Agreement is concluded for an initial duration of five years from the date of joint signing. After this period this Agreement can be re-examined if deemed necessary. After five years, the Agreement shall be renewed for another five-year period, unless terminated by one of the parties by written notice three months prior to the expiration date.

VII

This Agreement is signed in two identical copies in English language.

Following the spirit of academic co-operation and principles of mutual understanding and respect, we sign this Agreement.
